CRAFTY
MODELS

All elements are fixed with glue. Recommended paper glue with a thin applicator
Všechny díly jsou lepené lepidlem. Doporučujeme lepidlo na papír s tenkým aplikátorem

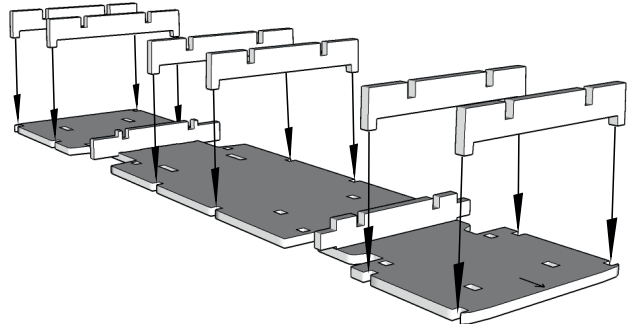

1

We connect the elements by applying a small amount of glue at the junction of cardboards (not for grooves or holes)
Díly spojujeme nanášením malého množství lepidla na spojnici kartonů (ne do drážky nebo otvoru)

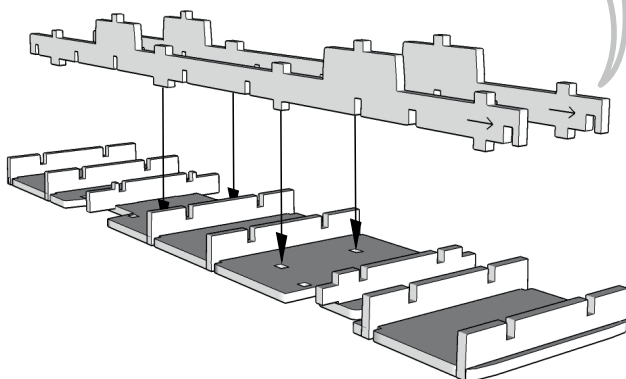

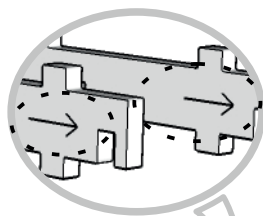

2

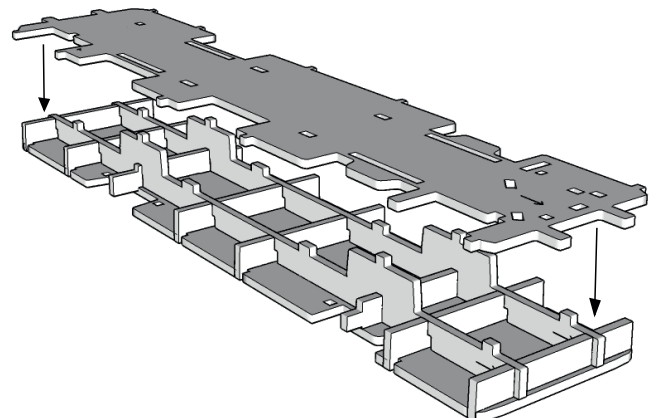

3

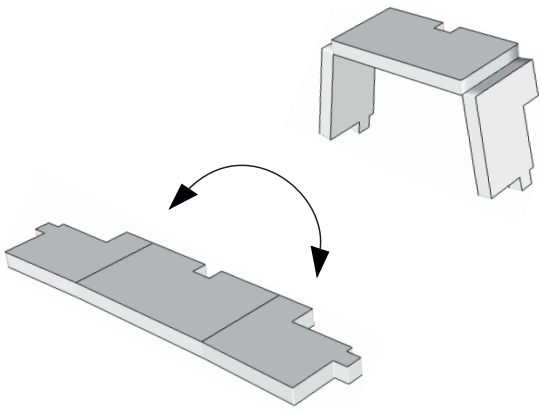

Arrows on parts of elements define the front of the vehicle
Šipky na částech dílů směřují k přední části vozidla
